

Privacy Policy – Simple Shop

Last updated: 25.05.2025

Privacy Policy

RED ZION d.o.o. built Simple Shop software as a Commercial app. This SERVICE is provided by RED ZION d.o.o. and is intended for use as is.

This page is used to inform visitors regarding our policies with the collection, use, and disclosure of Personal Information if anyone decided to use our Service.

If you choose to use our Service, then you agree to the collection and use of information in relation to this policy. The Personal Information that we collect is used for providing and improving the Service. We will not use or share your information with anyone except as described in this Privacy Policy.

1. Application Overview

Application Name: Simple Shop

Developer / Operator: RED ZION d.o.o.

Address: Pod griči 4, 4226 Žiri, Slovenia

Website: www.simple-shop.si

Email: info@simple-shop.si

Simple Shop is a standalone Windows desktop application designed for issuing invoices, quotes, receipts, and other accounting-related documents. The application operates entirely offline, without the use of cloud storage.

2. Information Collection and Use

Simple Shop collects a minimal set of user data only after explicit consent is given during the OAuth 2.0 authorization process:

- Email address
- Company name or user name
- Google access token (OAuth 2.0) for email sending functionality

For a better experience, while using our Service, we may require you to provide us with certain personally identifiable information, including but not limited to email address or Google account name. The information that we request will not be collected by us and is

only used by third party services to provide parts of the Service on our behalf. When using Google Drive for data backup storage, our service will write and/or read the data backup files stored in your Google Drive. The service will not access any other files stored in your Google Drive. When using Gmail or G Suite to send email messages, our service will use your Gmail account to send email messages on your behalf. Personal information is not collected by us and is only shared with Google services in order to provide this functionality. The Google account name and/or email address will be stored on your device or in your database.

The app does use third party services that may collect information used to identify you.

3. Purpose of Data Use

The data is used exclusively for:

- Sending emails (e.g., invoices, offers, receipts) directly from the application via the user's Gmail account.

The app does not access, read, or modify any Gmail content or data beyond sending emails.

4. Google API Scopes and Justification

OAuth Consent Screen Summary

App name: SimpleShop

OAuth scope used:

- <https://www.googleapis.com/auth/gmail.send>

Justification:

- This scope allows the application to send accounting-related emails (e.g., invoices, quotes) directly from the local desktop environment using the user's Gmail account.
- It does not access any messages or Gmail data.
- The application acts on behalf of the user and complies with all OAuth 2.0 security restrictions.

5. Data Storage and Security

All personal data is:

- Stored locally on the user's device (not on external servers)
- Encrypted before storage
- Accessible only by the user

The application does not communicate with external servers controlled by RED ZION d.o.o.
All operations involving Google APIs are user-initiated and handled securely via OAuth 2.0.

6. Data Retention and Deletion

We retain user data only on the local device and for as long as necessary to perform the intended functionality.

Retention Policy:

- User data (email, company name, tokens) remains on the device until the user deletes it
- We do not store any user data on our servers.

How to Delete Your Data:

1. In the Simple Shop application:

- Go to Settings.
- Remove your saved username and password.
- Save the empty fields to delete the stored credentials.

2. In your Google Account:

- Visit <https://myaccount.google.com/permissions>
- Revoke access to the "SimpleShop" application.

3. Via support request:

- Email info@simple-shop.si to request confirmation of data deletion.

Note: All user data is either:

- Encrypted and stored on your own device, or
- Managed by Google, under your account.

RED ZION d.o.o. does not have access to or store any personal user data.

7. Third-Party Services

Simple Shop does not use any external service providers for data handling.

The only integrated third-party service is Google Gmail API, used strictly for sending email.

Relevant policy: <https://policies.google.com/privacy>

8. Cookies

Simple Shop itself does not use cookies. However, external web-based services like Google's OAuth flow may use cookies for session handling or security.

Cookies are files with a small amount of data that are commonly used as anonymous unique identifiers. These are sent to your browser from the websites that you visit and are stored on your device's internal memory.

This Service does not use these "cookies" explicitly. However, the app may use third party code and libraries that use "cookies" to collect information and improve their services. You have the option to either accept or refuse these cookies and know when a cookie is being sent to your device. If you choose to refuse our cookies, you may not be able to use some portions of this Service.

9. Children's Privacy

This application is not intended for children under 13 years of age. We do not knowingly collect personal information from minors. These Services do not address anyone under the age of 13. We do not knowingly collect personally identifiable information from children under 13. In the case we discover that a child under 13 has provided us with personal information, we immediately delete this from our servers. If you are a parent or guardian and you are aware that your child has provided us with personal information, please contact us so that we will be able to do necessary actions.

10. Changes to This Privacy Policy

This policy may be updated to reflect changes in functionality or compliance requirements.

All updates will be posted at:

<https://www.simple-shop.si/izjava-o-zasebnosti-za-google-uporabnike>

The updated version becomes effective immediately upon publication.

We may update our Privacy Policy from time to time. Thus, you are advised to review this page periodically for any changes. We will notify you of any changes by posting the new Privacy Policy on this page. These changes are effective immediately after they are posted on this page.

12. Service Providers

We may employ third-party companies and individuals due to the following reasons:

- To facilitate our Service;
- To provide the Service on our behalf;
- To perform Service-related services; or
- To assist us in analyzing how our Service is used.

We want to inform users of this Service that these third parties have access to your Personal Information. The reason is to perform the tasks assigned to them on our behalf. However, they are obligated not to disclose or use the information for any other purpose.

13. Security

We value your trust in providing us your Personal Information, thus we are striving to use commercially acceptable means of protecting it. But remember that no method of transmission over the internet, or method of electronic storage is 100% secure and reliable, and we cannot guarantee its absolute security.

14. Links to Other Sites

This Service may contain links to other sites. If you click on a third-party link, you will be directed to that site. Note that these external sites are not operated by us. Therefore, we strongly advise you to review the Privacy Policy of these websites. We have no control over and assume no responsibility for the content, privacy policies, or practices of any third-party sites or services.
